

Shared Lodging and Carpool Connections

During these difficult economic times, the Chapter recommends that everyone tighten their belts and look for opportunities to save such as sharing a room and carpooling. Carpooling and room sharing can also be a great way to meet and network with fellow fish heads. The Oregon Chapter AFS Facebook page is a great place to advertise and look for room and ride sharing opportunities. Give it a visit and join the group, and then you can also keep up to date with chapter activities.
